

Washington State Department of Agriculture Organic Program has reviewed and registered input materials for use in organic production that are distributed, manufactured, or repacked by the below companies.

**Refer to the Brand Name Material List for the specific products that are approved in accordance with the USDA National Organic Standards.**

- WSDA does not provide any guarantee, warranty, or endorsement for materials included on the Brand Name Material List.
- Registered products must be used in accordance with all noted annotations.
- WSDA certified farms and businesses should update their organic system plan prior to use of any new material.
- If you are certified by a certification agency other than WSDA, check with your certifier prior to the use of any input material.
- The review and registration of input materials or organic production is an ongoing process and product approval can change.
- Updates to the Brand Name Material List are made available on the WSDA Organic Program website: <http://agr.wa.gov/foodanimal/organic>.
